Commenting on the launch of new project, Mr. Gaurav Jain, Managing Director & CEO, Jindal Realty Pvt. Ltd. said, "Pranava Floors - is our gift to the style-conscious, and yet price-conscious, populace of Delhi NCR. We have put a great deal of thought in its construction, making sure it surpasses the expectations of all age groups. The project combines elegance and style with comfort, providing our cherished customers the ultimate living experience. This project is now expected to be the one that would reflect our experience, our fortes, our competence and our dedication to the customer needs." Sonapat Global City, Sonapat is planned as a leisure destination spread over 650 acres consisting of residential commercial areas along with Jindal Corporate Park spread over 90 acres & futuristic office spaces and ushering in a new era of work culture. It is a blend of modern living and lush green environment offering a variety of residential and commercial options offering freehold urban cottages plots of different sizes, ideal for thematic living. The entire land bank of 650 acres as on date is fully paid. The present developed area is 214 Acres. The land development on 1st Phase of Sonapat Global City project is completed. Physical possession and handing over of plots is in progress. "Sonapat is a growth corridor of Delhi NCR. A gateway to Haryana and a prominent region in Delhi-NCR is all set to become the paradise for residential and commercial real estate. And why not? At a time when the Delhi real estate is saturated and prominent regions in the NCR like Gurugram, Noida and Ghaziabad have already exhausted their realty development potential; Sonapat with all its advantages is shining bright and offering umpteen opportunities for growth." Added Mr. Jain.
