INVC NEWS New Delhi,

All Parties Migrants Coordination Committee (APMCC) today staged a protest followed by a candle march to pay homage to Uri and Handwara martyrs at Jantar Mantar in New Delhi. The protestors mostly Kashmiri Hindus who have migrated from the valley 27 years back burnt Pakistan flags and raised anti-Pakistan and anti-separatists slogans. The protest was led by Sh. Ravinder Pandita, Head of APMCC Delhi - NCR. While addressing the gathering he demanded that State and Central government should take stringent measures to combat growing terrorists attacks in the valley. " We hope that peace prevails in the valley and the tormentors are brought to book", said Ravinder Pandita. The recent violence in Kashmir that has begun on July 8 after Burhan Wani's killing has evoked a total protest across the valley with separatists calling the shots. There is a complete social boycott with Kashmiri Hindus in the valley who have been forced thus to leave their hearth and homes and save their lives. Kashmiri Pandits have time and again shown that they are true nationalists and have imposed full faith in the present government led by able Prime minister Sh. Narendra Modi. Recently APMCC had to undertake annual Gangbal Yatra with a minimum number of pilgrims as the situation was not conducive in the valley.

Effigy of Pakista was burnt by the protestors. APMCC activists also burnt Pakistani flags expressing their complete anguish.

Speaking on the occasion Sh. Vijay Raina KSD president said that "the problem is grave in Kashmir right now and Government should not remain a silent spectator". Kundan Kashmiri of KPC said " I am a Kashmiri, not a tourist out here today. We cannot see continued terror and killings of security forces'. Later a memorandum was submitted to Hon'ble Prime minister and Hon'ble Home minister, Govt. of India.

APMCC is one of the frontline organizations of Kashmiri Hindus working for the rehabilitation and reclamation of destroyed and abandoned temples throughout the valley and has come into prominence by organizing infamous Kaunsar Nag Yatra, Porbander Gujarat indefinite fast by its chairman, Jammu 10 day long fast and other protests in support of their demands.
