✖ INVC NEWS Mumbai,

We lead busy lives and are always on the go with little or hardly any time for touch-ups. This is why we need makeup that can keep up with our ever changing schedules. So get ready and invest in Revlon ColorStay™ Concealer, a concealer with time release technology that keeps imperfections at bay, letting you look flawless all day! Perfect for under-eye circles, blemishes, dark spots and other imperfections, Revlon ColorStay™ Concealer continuously balances your skin throughout the day. With a lightweight feel that is never cakey or dry, this is your secret weapon for a radiant look. The flexible liquid formula moves with your skin and wears up to 24 hours. So say Good-Bye to Touch Ups!
