Prabhudeva, whose choreography sets benchmarks each time, has directed this song titled Vashmalle (Meaning : Dance your heart out and make merry). Prabhudeva always leaves his mark with high energy dance numbers that boast of unique dance moves. Vashmalle too will stand out because Amitabh Bachchan and Aamir Khan are seen dancing their heart out in the film.

Vijay Krishna Acharya, director of Thugs of Hindostan says, "It is amazing that we could write a suitable moment in the film that sees these two icons of Indian cinema shake a leg with each other and the song will stand out because of their infectious energy and camaraderie. The song presents Mr.Bachchan and Aamir Khan in the mood to celebrate. I have to reveal this, the sequence will show them getting drunk during the celebrations and then breaking out to dance on this high energy number. It is a priceless moment that we have captured in Thugs of Hindostan."

Divya Kumar and Nakash Aziz have sung this anticipated number in Tamil while celebrated lyricist Madhan Karky has penned its supremely catchy lyrics. Ace music composers Ajay-Atul have created this track.

Thugs of Hindostan co-stars Katrina Kaif and Fatima Sana Shaikh. The film is set to treat audiences across India with the biggest jaw-dropping action sequences seen by audiences on screen to date. With its edge-of-the-seat thrills and a visually immersive experience, YRF's out and out entertainer, Thugs of Hindostan, is set to release on November 8, a national holiday, in Hindi, Tamil and Telugu.
