Bangalore,

This weekend, all bets were off as the best of the best took to the dance floor to show off their moves at the second regional round of Breezer Vivid Shuffle in Bangalore. India's largest hip-hop dance music festival, conceptualised by OML - The Global artist first company is back with its third edition in the city. Breezer Vivid Shuffle will offer the final winners India's largest cash prize pool of up to 1 million rupees and the chance to showcase their moves to the masters of Hip-hop including Varun Dhawan and his 'Street Dancer 3D' crew at the Grand Finale in Mumbai on 21st September 2019.

As a part of the Bangalore regional rounds, the city witnessed participation from 100 dancers who showcased their moves in hip hop, breaking and popping. 4 winners from the city were chosen overall to be a part of the grand finale which will happen in Mumbai.

One of the most talked about events in town, the two-day hip hop challenge showcased hip hop gurus Godhand & Bolt who hosted special workshops for street dance lovers. Participants from in and around Bangalore surprised the judges with some amazing dance moves. The event concluded with one of the most happening after parties at Fandom Gilly's Redefined. The highlight of the evening was a live performance by Indian Origin, Enkore, Pav4n, CHRMS & DJ SA.

Commenting on the successful regional round in Delhi, Gunjan Arya Managing Partner OML said, "We are thrilled with the response that we have received from Bangalore. India is a land of immensely talented people who go unnoticed due to a lack of platforms that bring them centre stage. Street Dance is really gaining popularity in the country and platforms such as Breezer Vivid Shuffle throw a spotlight on their talent and bring them to the fore. OML believes in discovering and nurturing new talent through our various platforms like these and give them a stepping stone to grow. I am sure the competition is only

going to get more exciting as we move on to other cities.”

The third edition of Shuffle has gotten bigger and better with 6 regional rounds, 1 international round, 4 cypher rounds, 20 workshops, 10 afterparties and 1 grand finale - all across 10 cities in India and 1 international destination! You too can win big and be crowned the next B-boying queen or be the next Popping Prince!
