New Delhi,

~ A book - 'A Distinctive Water Management Story - The Rajasthan Way' authored by Sriram Vedire, Adviser to Ministry of Jal Shakti, Government of India released~

The world is facing the worst water crisis, including the Indian States with acute drought, waterlogging and sudden floods. It is imperative for every state to take necessary steps to resolve issues surrounding water resource management. NITI AYOOG released the Composite Water Management Index (CWMI) in June 2018 to put forth the prevailing water crisis squarely in the centre of the public policy space. Presenting the efforts made by creating about 4 lakh water harvesting structures and the encouraging results, a book entitled '**A distinctive Water Management Story - The Rajasthan Way**' authored by **Mr. Sriram Vedire, Adviser to Ministry of Jal Shakti, Government of India**, was launched today at Dr. BR Ambedkar International Centre. The book was released at a high profile event graced by **Shri Om Birla**, Hon'ble Speaker, Lok Sabha; **Shri Prakash Javedkar**, Hon'ble Minister of Environment, Forest, Climate Change, I&B, GoI; **Shri Gajendra Singh Shekhawat**, Hon'ble Minister of Jal Shakti, GoI; **Shri G Kishan Reddy**, Hon'ble MoS (Home), GoI; and **Shri Sanjay Dhotre**, Hon'ble MoS (HRD), GoI.
