F-53 Lighting II's unprecedented features like multi role capabilities and versatility has been enthused in Antonio Bernini's latest timepiece - Sonic. It is an agile & versatile wrist adornment with faceted lugs resembling the finned airframe & a bi-rotational disc; with a dedicated crown secured by a safety crown cover to measure speed & the elapsed time. Its genuine leather belt rightly compliments the explicit featured dial, making it the perfect wrist embellishment for the urban man. ✘

Priced between INR 19,995 - INR 22,995 Antonio Bernini Fighter Series are defiantly arrogant & unrestrained in nature. Antonio Bernini reflects a strong design history with threegenerations in fine art of watch making and watches that are brutally male and define power
