

PM undergoes routine medical checkup

By : INVC Team Published On : 1 Feb, 2010 10:05 AM IST

invc,, The Prime Minister, Dr. Manmohan Singh visited the All India Institute of Medical Sciences to undergo routine medical evaluation. Several tests were conducted for cardiovascular assessment, as a follow up to his re-do coronary by-pass graft surgery which was performed on him a year ago. All the tests were found to be normal.
